

What if you forgot the password?

1) Click on Login button which see you in home page. Now you see the login form in left bottom you find the Forgot Password link and click on it.

A screenshot of a login form. At the top, there is a password field with a masked password '*****'. Below it is a CAPTCHA image showing the letters 'x', 'U', '3', 'k', and 'm'. To the right of the CAPTCHA is an input field for the CAPTCHA code, with the placeholder text 'Enter captcha code here'. Below these is a large purple 'Login' button. At the bottom of the form, there are two links: 'Forgot Password ?' and 'Register Firm !'. A red arrow points to the 'Forgot Password ?' link.

2) Now you see the form which have field like Username, Mobile number and captcha cod. Enter your username name, registered mobile number and captcha code and click on Send OTP button.

A screenshot of a 'Validate User' form. The form has a title 'Validate User' at the top. Below the title, there are three input fields: 'User Name*' with the placeholder 'Enter Username', 'Mobile Number*' with the placeholder 'Enter Mobile Number', and a 'Registered Number' field which is currently empty. To the left of the 'Registered Number' field is a blue button labeled 'Show My Mobile Number' with the text 'Click here if you forgot your registered mobile number' below it. Below the input fields is a CAPTCHA image showing the numbers '5', '3', '4', and '6'. To the right of the CAPTCHA is an input field for the CAPTCHA code, with the placeholder text 'Enter captcha code here'. At the bottom right of the form are two buttons: a purple '✓ Send OTP' button and an orange '✗ Cancel' button.

Note: If you forgot your Registered Mobile number for reset password you just enter your username click on “Show My Mobile Number” button to show few last digits of registered mobile number.

3) OTP will send to your mobile number. Now you see filed which ask you for the OTP, enter the OTP and click on submit OTP button.

4) When you enter correct OTP you will see the form which asks you for new password.
